Photo special to CUSD Today.

Superintendent Eimear O'Brien, Ed.D., celebrates with graduates of Clovis Unified's Clovis Adult Education Vocational Nursing Program at their pinning ceremony this fall. In the 2021-22 school year, CAE had the highest first-time passing rate of the State Board Nursing Exam than any other school in California, with 98% of CAE students passing. "We're the state champs!" said CAE Principal Ed Schmazel. "Our faculty and staff's student support, expectations and rigor are bar none."
