

Interview your classmates (and others, as desired)

1. Household Composition: How many people live in your household, and what are their relationships to you (e.g., mother, father, sibling, grandparent)?

Name	Answer

Purpose: To chart the variety and structure of household compositions.

Best type of chart to use to display data:

2. Division of Household Chores: Who in your household is primarily responsible for the following chores: cooking, cleaning, laundry, and grocery shopping? (Specify the gender and age).

Name	Cooking	Cleaning	Laundry	Grocery shopping

Purpose: To graph the distribution of household chores by gender and age.

Best type of chart to use to display data:

3. Perceptions of Gender Roles: Do you believe certain household tasks should be done primarily by men or women, or should they be shared equally?

Name	Men	Women	Shared Equally

Purpose: To analyze and graph perceptions of traditional vs. egalitarian views on gender roles in household tasks.

Best type of chart to use to display data:

4. Time Spent on Household Activities: On average, how many hours per week do you spend on household activities (e.g., cooking, cleaning, laundry, grocery shopping)?

Classmate Name	Cooking	Cleaning	Laundry	Grocery shopping

Purpose: To graph the distribution of time spent on weekly chores.

Best type of chart to use to display data:
