

Web-based Activity: TED-Ed for Interactive Video Lessons

Posted on 06/30/2017

In the June 2017 Web-based activity article, Kristi Reyes posits that "thought-provoking lectures by various experts and authorities in a wide range of disciplines and walks of life to spread ideas that "have the power to change attitudes, lives, and ultimately, the world." Some of the most powerful of these talks have been compiled."

You can find step-by-step instructions and ideas for activities in this June [Web-based Activity](#) article.
