

## Newsela PRO license offer still available!

Posted on 09/20/2017

OTAN is offering up to 200 Newsela PRO licenses to adult education teachers who teach at a WIOA-funded school site. Licenses will be valid for the school year through June 30th, 2018. Newsela provides stories on current events tailor-made for classroom use. Indexed by broad theme (e.g. War and Peace, Arts, Science, Health, Law, Money), stories are both student-friendly and can be accessed in different formats by reading level. Newsela is a great way to differentiate nonfiction reading.

To get a license, teachers will need to fill out a form and be willing to provide information through surveys up to 4 times per year. Additionally, teachers will need to complete at least one (1) training session given by Newsela to learn about the features available. Licenses are issued on a first-come, first-served basis. If you have used the free version of Newsela, you can now have

access to the PRO version! To sign up, fill out the form at: <https://goo.gl/forms/Ig3GNpyTnxJ11QCh2> Be sure to follow the on-screen instructions at the end of the form.
