

Public Comment Period –Modifications to California’s State Plan

Posted on 02/14/2018

The California Workforce Development Board (State Board) is seeking public comments on modifications to California’s Unified Strategic Workforce Development Plan (State Plan). As required under the Workforce Innovation and Opportunity Act (WIOA), after the first two-year period of the State Plan’s implementation, the State Board must modify the plan to reflect changes in labor market and economic conditions, and any other factors affecting the implementation of the plan.

The four-year State Plan represents agreement among the core partners identified in the WIOA and serves as the framework for the development of public policy, fiscal investment, and operation of all state labor exchange, workforce education, and training programs. There are several modifications to the State Plan. For more details, please access the [PDF here](#):

The State Plan will be posted on the State Board’s website for public comment. Comments will be accepted until 5 p.m. on March 11, 2018, and must be submitted in writing through one of the following methods:
