And just a reminder that the application for the Digital Leadership Academy 2018-2020 is now open. DLAC will assist agencies in meeting their technology integration, distance learning, or blended teaching goals. The program is designed to be flexible in how agencies can best use the resources offered by OTAN to support their agency goals. Your DLAC project is aligned to the Technology and Distance Learning Plan filed by all California WIOA Title II funded adult education agencies.
