

Consider Applying to Participate in OTAN's Digital Leadership Academy 2018-2020

Posted on 07/09/2018

The **Digital Leadership Academy** (Cohort 2) applications are open and now being accepted!

OTAN announces an opportunity for adult education agencies through the Digital Leadership Academy (DLAC) 2018-2020. This program combines OTAN's previous Academies (Technology Integration Mentoring Academy and the Online Teaching Academy), and OTAN offers the program for a full two years to ensure agencies can meet projected goals.

The Digital Leadership Academy will assist agencies in meeting their technology integration, distance learning, or blended teaching goals. The program is designed to be flexible in how agencies can best use the resources offered by OTAN to support their agency goals. Your DLAC project is aligned to the Technology and Distance Learning Plan filed by all California WIOA Title II funded adult education agencies. Teams of two or three teachers, coordinators, and administrators will represent the agency for the entire two years of the program.

Please visit <https://www.otan.us/digital-leadership-academy/> for more information and to apply. The application deadline is **Friday, September 7.**

In May, OTAN live streamed the final presentations of the eight Cohort 1 teams. You can watch the presentations on our YouTube channel to learn about the exciting projects that our adult ed teams from across California worked on for the last two years.
