Please join us for OTAN's next Tech Talk on Friday, December 14 from 1:00-2:00. This month's Tech Talk is on Revolution English: Free English Coaching and Immersion Technology for Your ESL Students by Laura Liibbe, Partnerships Manager at Revolution English, and Yvette Rothe, ESL instructor at Mt. San Jacinto College. Now available as a free pilot for your school through OTAN, Revolution English helps students practice English outside of the classroom utilizing language immersion strategies, coaching techniques, and accessible technology that most students already have on their smartphones. In this OTAN Tech Talk, you

will hear about how Revolution English seamlessly integrates with ESL classes, see a live demo of the program, and hear firsthand how the program works from an ESL teacher who ran it in her classroom. You can sign up at <http://www.caadultedtraining.org/OTAN/2266>

(Please Note: Everyone is welcome to attend this webinar. The specific Revolution English resources that OTAN can offer and are being presented in this Tech Talk, however, are provided only to WIOA-funded agencies within California.)
