

Registration for OTAN's Technology and Distance Learning Symposium is Open!

Posted on 01/17/2019

OTAN's annual Technology and Distance Learning Symposium (TDLS) will take place March 1 and 2 at the Hacienda La Puente Adult Education – Willow Center, and registration for TDLS is open!

TDLS will offer relevant and new information, dynamic presentations, and hands-on skill development to start or grow your blended/distance learning programs and enhance technology integration in the classroom. Please visit this page to take a look at the tentative schedule: <https://www.otan.us/tdlsymposium/symposium-schedule>

TDLS is ideal for teachers, coordinators, and administrators in the network of California adult education providers under the Adult Education and Family Literacy Act, WIOA Title II, the federal grant

administered by the Adult Education Office at the California Department of Education.

Registration is limited to the first 200 registrants, and the deadline to register is Friday, February 8. The fee to register is \$25.00 per person, which includes breakfast and lunch both days. To register, please visit this page on the OTAN website: <https://otan.us/tdlsymposium/register-online>

This year's TDLS promises to be even more exciting than in previous years, as we will be celebrating OTAN's 30th anniversary at the place where OTAN began! Please register soon for this year's event. We look forward to seeing you in a few months!
