

OTAN Tech Talk on Using Quizlet for Practice and Assessment Coming Up!

Posted on 11/02/2018

Please join us for OTAN's next Tech Talk on Friday, November 9 from 1:00-2:00. This month's Tech Talk is on Quizlet for 24/7 Practice and In-class Formative Assessment by Barry Bakin, ESL Teacher and Instructional Technology Teacher Advisor at LAUSD Division of Adult and Career Education. This Tech Talk will show educators how to use the Quizlet website to provide your students study opportunities accessible from any location and at any time. Quizlet is fun for the learner (and teacher) and can also be used in class for formative assessments or for in-class competitions. Learn how an educator is using this online website.
