Workshop title	Gamify Your Classroom Using Online tools
Workshop description	In this workshop you will learn how to search for games, develop games, and monitor progress using one or several online tools including: Kahoot, Quizlet, Padlet and/or others. Many online tools now allow teachers to create and have students play games individually, in teams, and for homework. Prerequisites: Participants need to have basic computer and internet skills. For more information about this and other OTAN Workshops contact OTAN at support@otan.us or call 916-228-2580.
Session length	2 hours
Format	Workshops: Training events at a physical location, of short duration (2 – 6 hours) but may be part of a series.

To find out more about any of these workshops, including dates and times offered, please check the [California Adult Education Professional Development Web site](#). This site has information on OTAN offered training, as well as training offered by CALPRO and CASAS.

Face-to-Face Workshop Requirements:

- The lab must contain at least one computer for every individual enrolled in a class - including the instructor.
- The Internet connection must be at least a T1 line.
- All computers being used must have Internet Explorer 9 or Firefox 20 or later and Adobe Acrobat Reader 10 or later.
- OTAN's Web site and its contents must be accessible on every computer used during a class.
- The instructor's computer station should be connected to an LCD projector and the room will need a screen for class viewing. (If a projector and/or instructor station is not available, OTAN can provide them).
- At least 10 participants must have completed the online registration 10 business days prior to the workshop.
- All Microsoft Office workshops require the correct version of Office to be installed on all computers in the lab to be used.
- Various workshops will require unblocked access to necessary Web sites.
