Workshop title	Gamify Your Classroom Using Online tools
Workshop description	<p>In this workshop you will learn how to search for games, develop games, and monitor progress using one or several online tools including: Kahoot, Quizlet, Padlet and/or others. Many online tools now allow teachers to create and have students play games individually, in teams, and for homework.</p> <p>Prerequisites: Participants need to have basic computer and internet skills.</p> <p>For more information about this and other OTAN Workshops contact OTAN at support@otan.us or call 916-228-2580.</p>
Session length	2 hours
Format	Workshops: Training events at a physical location, of short duration (2 – 6 hours) but may be part of a series.

To find out more about any of these workshops, including dates and times offered, please check the [California Adult Education Professional Development Web site](#). This site has information on OTAN offered training, as well as training offered by CALPRO and CASAS.

Face-to-Face Workshop Requirements:

- The lab must contain at least one computer for every individual enrolled in a class - including the instructor.
- The Internet connection must be at least a T1 line.
- All computers being used must have Internet Explorer 9 or Firefox 20 or later and Adobe Acrobat Reader 10 or later.
- OTAN's Web site and its contents must be accessible on every computer used during a class.
- The instructor's computer station should be connected to an LCD projector and the room will need a screen for class viewing. (If a projector and/or instructor station is not available, OTAN can provide them).
- At least 10 participants must have completed the online registration 10 business days prior to the workshop.

- All Microsoft Office workshops require the correct version of Office to be installed on all computers in the lab to be used.
- Various workshops will require unblocked access to necessary Web sites.
