

OTAN Resources for Administrators

<http://www.otan.us>

OTAN's Web site has combined all the resources previously available at our original OTAN site and the Adult Ed Teacher's site. Here's a list of some of your favorite administrative resources and the path to locate them on our new site:

Research & Reference

Libraries

Adult Ed Archives - Historical collections of adult education materials

Adult Education Reference and Technology Collection – a circulating collection of over 1,900 items with information related to adult education instruction, technology integration, and program and policy issues

Online Documents - Full-text documents featuring research and promising practices in adult education. Good for program improvement and proposal writing.

Adult Education Dictionary - a searchable dictionary of acronyms and terms used in adult education.

Research

CA Adult Education Data - Archived data pertaining to: Enrollment, Funding and Progress Data (State and Federal)

CA Adult Education Research - full texts, bibliographies, briefs, digests, summaries, findings and reports.

CA Adult Ed History - Learn about the 150 year history of adult ed in California.

Presentations - Downloadable files of multi-media presentations about adult education and technology

Adult Education Links - a collection of searchable, reviewed links to Web sites with valuable adult ed resources

California State Plan for Adult Ed 1999-2004

Ed Technology & Media

Planning - OTAN offers a variety of resources to help you with technology planning. There is a copy of the California Adult Education Technology Plan, a link to the official EL Civics Technology Plan site and a host of information on the various phases of technology planning.

People & Organizations

People - OTAN Member directory, Calendar of events, link to CDE Staff directory

Organizations - Links to CDE pages such as Course Approval System, Course Outlines, EL Civics Technology Plan and Federal Grant applications; a list of CA adult education agencies, various professional organizations and other adult ed organizations; links to the CALPRO Professional Development Centers.

Email Lists - listservs of interest to adult educators

Laws & Legislation

California and Federal information in regards to current legislative updates, processes, and links to searchable codes and regulations

Funding & Jobs

Search Ed Grants - A searchable database containing current and future funding opportunities from the Federal Register and other sources.

Employment - Use our employment classified area to post a position open at your school. It will be seen by others in adult education, reaching your target audience. If you are looking for other job opportunities, check back often to find positions posted by other schools.
